

News from the office of... Dr. James M. Maragos

Everyone Deserves a Great Smile!

On Saturday September 7th, Dr. Maragos donated his time, expertise and office space to the CURE Network's La Grange-area charity event, to treat patients who would not otherwise have been able to afford dental services.

Dr. Maragos and our wonderful staff, along with two other doctors and their assistants, treated 25 patients that day at no cost as part of the third annual CURE Network program to help those in need. At the end of the day, both staff members and patients walked out with smiles on their faces!

It's amazing how having good oral health and an attractive smile can make a difference in our lives – from a health and comfort level, to an increase in personal confidence, to a boost in our professional image.

If you're interested in improving your smile power, please call us to find out all the options modern dentistry can offer you!

We look forward to seeing you again soon! All the best,

James M. Maragos
